SPORTSMANSHIP

The thought of "Sportsmanship" came to me on Wednesday morning at the Breakfast Club. I sat at the head table with several young men, the best tennis players in the United States at England—Vines, Perry and Hughes. Vines is only 20 years old and the others under 30. They were guests of honor, but I was unimpressed as any other because very few are, these days. I was impressed with their mutual regard; their feeling of real, true "sportsmanship" towards each other. Only two weeks before, in the finals for the supremacy of the country, Perry at one time led Vines during the first two sets and at one time was two up in another. But Vines "came from behind" and won. He did last Sunday. There was bitterness. That was "Sportsmanship." Last week, at the Breakfast Club there attitude towards one another proved their sincerity.

Last Saturday there was a football game in the Coliseum. The outcome was a surprise to the great majority, including myself. But the next morning I read several items which told the "side story." Those St. Mary boys believed that they would win. They "joked" to the two players that won were not "flukes." After an hour they had been practicing with the hope that the occasion might arise for their use. It did. And it was taken advantage of. The result will inspire thousands of underdog throughout the country to make out a plan, work hard and get somewhere. Howard Jones and his charges will shake themselves and show their real worth as a result of that St. Mary's game. His statement the day after was a fine example of sportsmanship. Some persons, dressed in me clothes, shoot doves. Do you want to have any association with them.

I saw reproduced in a newspaper last week a photograph of a small group of "Bureos." Harsh, little, quite dumb, but always willing to bear any burden placed upon their backs. The caption said that they were being "exterminated" by "hunters." God save the mark—like brave "bandits" who sneak up and shoot a helpless woman or child.

"Sportsmanship" is more vital necessary to the welfare of humanity today than any other quality. In my humble way, I am asking every one of you to begin now, today, to check on yourselves and find out how you are "playing the game." Are you a good sportsman or are you a unfair one?

SOME TIME, BUT WHEN?

We are going to do a kindly deed. Some time, perhaps, but when? Our sympathy given in a time of need.

Some time, perhaps, but when? We will do so much in the coming year.

We will banish the heartache and doubts and fears, and we'll comfort the lonely and dry their tears.

Some time, perhaps, but when? We will give a smile to a saddened heart.

Some time, perhaps, but when? Of the heavy burdens we'll share a part.

Some time, perhaps, but when? Some time we're going to right the wrong.

Some time the weak we will help make strong.

Some time we'll come with love's old sweet song.

Some time, perhaps, but when?

Every day I am asked "How do Ole Man Trubbles Bowl" getting on? Very well, thank you. Several hundred have sent their Worries and Troubles to me to have them go up in smoke. Many, who have had the FAITH, have told me, or written, that they have been greatly helped and that they realize the truth of my statement that "nine tenths of you" troubles, ain't. It helps me, to get my mind off my own struggles, by being told that I am helping others.

Answering many inquiries, I shall soon have some new and original Christmas Cards, that will tell the story of the beauties of California, coupled with the fact that you have had all of your friends "troubles" go up in smoke in Ole Man Trubbles Bowl. Lots of people like the thought. No matter if you have ordered other cards, you will want these, because they will be only a nickel or a dime each. Then, many of the poems you have cared for.

Younger Set Presents 'The Romancers'

Deep Interest Shown In Tonight's Appearance Of Community Players

With the presentation tonight of "The Romancers," Edmond Rostand's humorous French play of the Louis XVI period, the Sierra Madre Community Players will inaugurate their series of productions for the year at the Grammar School auditorium for the benefit of the Woman's Society of the Congregational Church.

The advance sale of seats indicates a capacity audience to witness the initial presentation, acted and directed almost exclusively by the younger members of the players who have won places on the program by the excellence of their effort.

The play deals with two young lovers, their doting fathers who stand in the path of true love and a ruffian who, for a large sum, arranges a very spectacular kidnapping. Of course the path of true love, though not running smoothly, ends well. The scene is laid in a lovely French garden of the period. Miss Crickie Calkin, who has been in charge, will direct the performance with the characters all in costume of the day.

Mary Young and Gilbert Somner play the parts of Sylvette and Pericet, the two lovers. The ruffian who arranges the "one first class abduction with extras" is capably handled by Selwyn Myers.

R. O. Calkin and John Osgood take the parts of Bergamin and Pasquinet, the fathers. Blaise, the gardener who assists in the kidnapping, is portrayed by Joseph Scialo.

Brigands are played by Frank Lichtner, Donald Blanke, Robert Stamer, Joseph Scialo and Carl Young.

Setting and lighting has been arranged by Hammond Green, with the assistance of Richard Hawkins and Robert Green.

The Congregational Church orchestra under the direction of Gustave Ribert will present a musical program tonight. Eleanor Roberts will provide incidental music during the play.

Miss Tim Manning is responsible for the costuming of the players, and Miss Anna Green is property custodian.

Fiftieth Anniversary Of The City's Founding To Be Fittingly Observed

Two-Day Program Begins On Friday With Address By Noted Author-Historian And Includes Old Settlers Reunion, Big Community Dance And Other Events

By HAROLD D. CAREW
President Sierra Madre Historical Society

Sierra Madre is ready for its semi-centennial celebration.

Observance of the fiftieth anniversary of the founding of the city by Nathaniel C. Carter will be unostentatious but nevertheless a fitting tribute to its founder and the group of men and women pioneers who settled here in 1881.

Many of those pioneers who helped to establish the city will be present next week to participate in the program which will mark Sierra Madre's half-century of progress.

Final meeting of members of all committees which have been at work under the direction of Elmer A. Green, general chairman, was held last night at City Hall. Mr. Green presented the program in its completed form for the approval of his co-workers.

The celebration will be opened formally next Thursday evening at 8 o'clock with an exhibition at City Hall of paintings by Mrs. Gutzon Borglum, J. Hardwick Lewis, Alfred James Dewey, Henry Irving Hawthurst, Lloyd L. Krebs, Ella Shepard Bush and other noted artists whose life and work are associated with Sierra Madre and the San Gabriel Valley.

Paintings by Jean Darnet, a protege of Mr. Borglum, also will be shown. The exhibition has been arranged by Mrs. Fred Griebel, chairman of the art committee, whose members include besides the foregoing, Florence Lusted, Albert Marshall, Vernon I. Morse, Katherine Tuttle, B. Ward, Leonard Borman and Bruce Russell.

Merchants of Sierra Madre, through the Chamber of Commerce, are cooperating with the art committee by displaying in their store windows old-time pictures of out-of-door scenes and photographs of early settlers.

This feature, to which W. E. Craig, president of the Chamber, has given valuable assistance, will attract the particular attention of members of historical societies who have been invited to attend a pioneers' reunion in the City Park on Saturday afternoon, October 10, beginning at 2 o'clock.

The chief event of the celebration will be the founders' hour program to be presented Friday evening at 8 o'clock in the auditorium of the grammar school.

Saturday Film Shows For Kiddies

Beginning tomorrow there will be regular Saturday afternoon motion picture shows in the auditorium of the grammar school building for the children of Sierra Madre. At a meeting of the Parent Teacher's Association this week it was decided that the organization shall sponsor them.

At tomorrow's show Felix the cat, "Wild Animals of Africa," "Elephants Elbows" and several other pictures of like appeal to the childish heart will be shown.

As a result of correspondence being carried on between the P.T.A. and William S. Hart, one of Mr. Hart's Western pictures will shortly be shown. On the occasion of a visit here with Burr McIntosh, Mr. Hart volunteered to loan films of 28 pictures made by him to the local P.T.A. and it is expected that one will be shown each week beginning late this month.

Fitts Will Address The Kiwanis Club

District Attorney Buron Fitts will address the Kiwanis Club at its noon luncheon here on Tuesday, October 13th on the crime situation in Los Angeles county.

Gordon Brooks secured the prosecutor's acceptance of the Kiwanis Club invitation to come to Sierra Madre, yesterday. At the same time Mr. Brooks received assurances from 20 of his colleagues on the Los Angeles county Grand Jury that they would be present to hear the address of Mr. Fitts, as guests of the Kiwanis Club.

Directors of the Kiwanis adopted a resolution making it possible for its members to invite members of their families and friends on this occasion and a general invitation has been extended to the townspeople to attend.

Former Mayor Robert Mitchell of Sierra Madre, an attorney, addressed the Kiwanis at its noon luncheon on Tuesday on "The First Lesson in Law" in which he discussed the divorce situation in California. The former Mayor was presented by Attorney A. L. Wissburg.

Eight 4-minute talks on the Kiwanis charge to newly elected members, will feature next Tuesday's meeting, under the direction of Dr. John Woehler. From among the eight speakers one will be selected to represent the local club in a district competition.

A directors meeting of the Kiwanis Club was held on Monday evening at the home of Tom Tyler, Suffolk avenue. Among those present were Frank Spencer, Waverly Pratt, Gordon R. Brooks, H. Clay Reavis, Vincent Fleming, William Lawless and R. C. Copenhaver.

DELAY OPENING OF SIERRA MADRE'S FORUM

Opening of the Sierra Madre Forum series has been postponed from October 7 to October 21 on account of the protest meeting at the City Hall on October 7. The opening meeting will be held at the Parish House of the Episcopal Church, Jacob Lange of Odense, Denmark, chairman of the Danish Commission, will be the speaker. Information may be obtained about the Forum from Mrs. John H. Robertson, chairman of arrangements.

Local Wedding Is Revealed By Entry At County Fair

Exhibition at the Los Angeles county fair in Pomona of Sierra Madre's famous string of Palomino horses this year under the name of Mrs. Hazel I. Smith, is said to reveal the recent marriage of their owner, the former Mrs. Hazel I. Smith of 205 West Orange Grove avenue, and Gerald I. Farman, former electrical contractor and dealer of this city.

The horses formerly exhibited under the name of Mrs. Hazel I. Smith occupied a conspicuous place in the barns allotted for the exhibition of the best and purest of the fair this year and a placard announced the famous Palomino, including El Rey del Mundo, do La Reina del Mundo, as the property of "Mrs. Hazel I. Farman, Sierra Madre, California."

Urge Unity In Welfare Work Here

Conference Of Local Organizations Planned To Co-Ordinate Efforts

A conference will be held here shortly of various churches, clubs and other organizations that undertake welfare work and that are interested in the relief of distress, with a view to coordinating relief work this winter.

Similar conferences are being held in the various communities throughout the county at the suggestion of those in charge of relief work in the Southland. It is estimated that the demands for assistance will greatly exceed any that have been met by the charitable inclined in many years, and the necessity for making the available funds supplies cover the largest possible demand is obvious.

The subject was discussed at a meeting of the Red Cross directors here on Monday and a letter was read from W. R. Humphries who has been assigned Field work in Southern California by the National organization. Mr. Humphries outlined the plan of organization being followed in several of the larger communities where the various charitable disposed agencies are being organized with a single distributing center, which prevents overlapping in the distribution of aid.

Miss Elizabeth Steinberger, principal of the Grammar school, and Mrs. Ellen Calkin, school nurse, were delegated by the Red Cross directors to begin at once a survey of the families now requiring or that are likely to require assistance during the winter as a preliminary to the plan to coordinate work of the local agencies. When a conference is called their report will give an idea of the demands that will have to be met in Sierra Madre.

Mrs. Edna Webb of the county welfare department is co-operating with the local organization and has indicated a desire to be present at the forthcoming conference and to offer advice.

ALL STARS DROP BALL GAME TO THE LEGION

In a practice game Tuesday night, the Legion baseball team defeated the All-Stars 9 to 6. Pratt hurled for the Legion, and Kiggins for the All-Stars.

YELLOW AND BLACK FLAG INVENTED BY LEE SHIPPEY TO GET TARDY KIDS TO SCHOOL

If you see a high school boy waving or displaying a little yellow-and-black flag as you whizz past on Central avenue one of these mornings, you will know he has missed a car or is in danger of being late to school and will appreciate a lift. He isn't going to leap into the street and try and stop you when you don't want to be stopped. He is simply going to hold out that flag when you are still half a block away, so you'll have plenty of time to make up your mind and stop if you want to.

He will be displaying the latest thing in novelties, the official hitch-hiker's flag.

A couple of months ago Lee Shippey humorously suggested that there should be such a flag, for use in communities like this, in which street cars run only once an hour, so that when one missed a car he might let any passing friend or neighbor know of his plight without undignifiedly waving down a passing motorist who might be going only a block or so.

E. S. Jones, head of a big decorating company in Los Angeles, saw possibilities in the idea, believing such flags might be of great service in hundreds of suburban communities. The result is the flags which have just appeared. A group of Pasadena Junior College students secured the first bunch of them.

On the yellow background of the flags is a picture of a motorist giving a lift, and the words: "Please Give Me a Lift."

The use of Bailey Canyon park by campers is prohibited in an order issued this week by the City Council and posted in the park by the volunteer firemen. It followed receipt of a complaint by the City Planning Commission that several campers had pitched tents in the park created by the firemen. The council believed this would interfere with the free use of the area for recreation by local residents and quickly issued its order. The firemen are gradually extending the park area by clearing away brush. Additional tables and benches will be installed and the construction of rest rooms will shortly begin.

JEWISH HOLIDAY TO BE CELEBRATED AT TEMPLE BETH ISRAEL

The Jewish people of the community will hold a social gathering on Saturday evening at Temple Beth Israel, Lima and Laurel avenues, in celebration of the Jewish holiday, marking the end of the reading of the Bible, and then starting at the beginning again.

Children of the Hebrew School will present a play, "Sinchas Torah," under the direction of Mrs. Clara Hammer, teacher of the school. The cast will include Cecilia Platt, Marian Rosen, Albert Solnit, Harriet Ashkenas, Sylvia Schuster, Joseph Solomon, Shirley Shapiro, Adella Platt, June Solnit and Leo Levitt. Refreshments will be served by the Auxiliary.

A social get together meeting opened the season of the auxiliary on Monday evening at the Temple. Refreshments were served by Mrs. S. Solnit. The next meeting will be held on October 12.

The Sierra Madre Tennis tournament scheduled to begin this week has been postponed to allow the participation of local players who would be unable to take part now. According to Emile Smith, president of the Tennis Association, the play will begin in about a month.

An exhibition match of doubles between local tennis stars will be held on Saturday, October 10th as a feature of the City's semi-centennial celebration, taking the place of the finals of the tournament which had been scheduled for the afternoon of that day.

Mattoon Act Provision May Not Affect Decision On Central Ave. Project

City Council Expected To Proceed Under Protest Clause Of Latest Street Improvement Act In Passing Upon Protest Petitions; Contest May Revise Assessments

Final disposition by the City Council of the Central Avenue improvement project is scheduled for 7:30 o'clock next Wednesday evening at the City Hall. Engineer Henry Gierlich announced yesterday that while he has not been able to complete his check-up of the acreage represented by signers to petitions protesting against the improvement there was little doubt but that it would be completed in time for the Council meeting.

This check being carried on by engineers under Mr. Gierlich will probably be responsible for a radical revision in assessments of large property holdings in Sierra Madre by the county assessors next year, it having been revealed that assessments on some of the acreage here are being made on faulty property lines and surveys. Correction of the property lines, according to engineers, will likely show an increased area of the city with a corresponding increase in assessable valuations.

It is the general belief that the Council will not stand on the right conferred by the Mattoon Act, under which the improvement project was initiated, to disregard any petition by four-fifths vote, and that it will not attempt to proceed with the undertaking if an unmistakable majority of the city's area has been signed up against it, even though the signers should represent very much less than a majority of the taxpayers.

Disregard of a petition representing 51 per cent of the city's acreage undoubtedly would result in court proceedings which would indefinitely delay starting the improvement of the Council should decide to go ahead with it. Notice has been given by opponents of the project that injunction proceedings would be resorted to under such conditions.

Opponents of the improvement attach much importance to statements made to them at the City Hall on September 23 to the effect that Charles Hastings was still in position to block the extension of Central avenue into Pasadena and would do so unless the improvement of Central avenue within this city is abandoned. They asserted that while Mr. Hastings had given deeds for the

extension of the avenue through his ranch, he had withheld a deed for passage through 150 feet of property immediately adjoining the Pasadena city line and that it will not be possible to put through a direct connection between the cities against his wishes. A communication setting forth this situation has been sent out to property owners here in which R. E. Watson of Pasadena, a friend of Mr. Hastings, is quoted. Mr. Hastings has been in Vancouver for several months.

There is no indication in a letter from W. W. Butler, attorney for Mr. Hastings, conveying deeds for the right-of-way through the Hastings property, that the ranch owner had any idea of indulging in sharp practices when he caused deeds to be filed, giving a right-of-way for Central Avenue, or that he had any thought other than that the proposed road would directly connect the two cities.

In a letter dated August 10, directed to County Road Superintendent George W. Jones, W. W. Butler wrote:

"I am handing you herewith a deed from Charles Hueston Hastings to the County of Los Angeles, for a right of way 60 feet wide through his ranch, covering the proposed improvement of Central Avenue, extending westerly from the city of Sierra Madre. . . ."

"It is Mr. Hastings' understanding that the improvement will be completed at no expense to Mr. Hastings, and without any assessment therefore against the ranch, as covered by your letter of April 10, 1931, addressed to the Mayor of the City of Sierra Madre."

"It is Mr. Hastings' understanding that the pavement to be constructed will be 30 feet in width and that the right of way through his ranch is to be a portion of a through road to Pasadena."

"Mr. Hastings, of course, expects any tree planting which may be done by the County to be at the County's expense, and he wishes to impress upon you as strongly as possible the justice of his request that a fence and six gates be constructed along the South side of the roadway where required, to discourage intrusion by the public on the vineyard which will be immediately adjacent to the South side of the roadway. He directs your attention to the fact that there is a difference between ordinary vacant agricultural land and a vineyard. The former offers no temptation to the public but the latter always does, and he feels that, in view of the concessions which he has made in the way of underpass and the waiver of the securing of deeds from other property owners simultaneously or in advance, he is entitled to this consideration. On the matter of the fence, we are in a position where we will have to rely largely upon the fairness of mind of the County Official."

"The people of Sierra Madre and the County have been exceedingly active in pressing the improvement of this road, and now that Mr. Hastings has donated the right of way through his ranch, it is his hope and expectation that it will be constructed and finished at an early date."

"Respectfully yours,"
(signed) W. W. BUTLER.

Campers Barred From The New Park In Bailey Canyon

The use of Bailey Canyon park by campers is prohibited in an order issued this week by the City Council and posted in the park by the volunteer firemen. It followed receipt of a complaint by the City Planning Commission that several campers had pitched tents in the park created by the firemen. The council believed this would interfere with the free use of the area for recreation by local residents and quickly issued its order. The firemen are gradually extending the park area by clearing away brush. Additional tables and benches will be installed and the construction of rest rooms will shortly begin.

City Welcomes More Newcomers

Newcomers welcomed to Sierra Madre during the past week are Mrs. B. J. Flowers, 308 North Grove street; Frank O'Neil, 535 West Highland avenue; Dale Simon, 430 North Mt. Trail avenue and L. A. Sherman, 501 North Baldwin avenue.

TWENTY-THREE CENT TAX BOOST RILES THE PEOPLE OF ARCADIA

The Chamber of Commerce and citizens of Arcadia are greatly wrought up over the tax situation there. While communities throughout Southern California almost without exception made some reduction in the tax rate for 1931-32, the Arcadia council, against a vigorous protest of the citizenry, increased the millage for municipal purposes 16 cents per \$100 of assessable valuation. And now 7 cents has been added to the levy for school purposes, making the increase 23 cents.

HONOR E. J. WEBSTER ON 84TH BIRTHDAY

E. J. Webster of 121 East Alegria, will celebrate his 84th birthday with a dinner party at home this evening. Mr. Webster has resided in Sierra Madre the past 17 years. He has every country in the world except four uninvited. Among those who wish him well will be Mrs. R. L. Webster, Mrs. R. L. Webster, and Mr. and Mrs. Goodwin and daughter Pasadena.

Observations

By LEE SHIPPEY

We have our little troubles. But there can't be anything terribly wrong with a country which is far more worried about how the world's series is going to come out than about where it's next meal is coming from.

The Los Angeles Metropolitan water district voted \$220,000,000 for water. That's more than they could vote for booze.

To Plant 26,135 Trees On Leading County Highways

Beautification of 28 major boulevards in Los Angeles County is announced by the Division of Forestry of the Los Angeles County Park Department. The program calls for the planting of 26,135 trees within the next three months, which will mean the beautification of nearly every main thoroughfare leading into the metropolis.

In this connection it is pointed out that now is the time to begin planning beautification on the part of all cities in the state, for 1932 Olympic Game visitors. Thousands of these will come from Europe, where highway beautification is made a study, and their reaction to California's beauty doubtless will be influenced by the appearance of its roadsides.

Chop Off Hilltop As New Road Climbs Into The Mountains

Workmen are already nearly a mile up on the extension of Santa Anita Drive into the mountains. A crew of 50 laborers recruited from this and surrounding cities are moving more than 60 tons of dirt a day in the work of leveling the right of way.

Engineers have laid the road out on an average basis of one inch rise in one foot, creating an eight and a half per cent grade. Tops of hills are being cut down to fill up gullies in an effort to maintain the grade.

The county's appropriation of \$135,000 for the road, which will be built chiefly by pick and shovel work, is creating employment for hundreds of men, as shifts are changed every two weeks.

BOY SCOUTS HELP RAISE DISTRICT QUOTA HERE

Boy Scouts of Sierra Madre are assisting the Community Committee, composed of citizens interested in Boy Scout work, in preparing plans for Boy Scout work in Sierra Madre.

George Moran is doing active work in the project of raising a \$400 Boy Scout fund, which is this city's share of the San Gabriel Valley-Pasadena Boy Scout district's expenses for the coming year.

To aid the State's copper industry, Arizona's 1932 automobile license plates are to be made of copper.

Dancers in Opera 'Marouf' Ballets

Opening Opera of Los Angeles Civic season in Shrine Auditorium starting Friday, October 2, will have spectacular dance numbers directed by Ernest Belcher. At top, a group from the ballet; below, Danila, principal dancer.

Climax To State's Greatest Musical Year At Hand

The climax to Southern California's greatest musical year is at hand, with the opening today, October 2, of the eighth annual season of the Los Angeles Grand Opera Association at the Shrine Auditorium. Officials of the organization point out that both the Los Angeles Philharmonic and the Hollywood Bowl, enjoyed their best seasons in history, and they expect the opera, with the largest group of Metropolitan Opera stars to be heard on the coast since 1906, to duplicate that record. The first production of the season is the French Opera "Marouf," based on an Arabian Nights tale.

In assembling the artists this season Gaetano Merola, general director of the association, determined to provide music lovers with the finest singers, the best chorus and productions, they have enjoyed.

Special attention was given the chorus, which Merola says is composed of the finest group of singers he has ever heard in a similar organization. On Monday, October 5, "Lohengrin" will be presented followed by "Aida," "Tosca" and "Tannhauser" on Wednesday, Friday and Saturday evenings, and "Die Meistersinger," "Carmen," "The Masked Ball," and "Il Trovatore" on Monday, Wednesday, Thursday and Saturday evenings of the last week. The season closes October 17.

NIGHT CLASSES IN LIP READING TO OPEN AT JUNIOR COLLEGE

Announcement of Lip-Reading classes at the Pasadena Junior College on Monday and Thursday evenings from 7 to 9 p.m. may be of interest to Sierra

Madre people who are hard of hearing. These classes are maintained by the Pasadena Junior College district of which Sierra Madre is a part. The instructor Miss Case, has a very pleasant personality and makes the lessons very interesting and profitable. Lessons are given free of charge.

The oldest operating theatre in the United States is the Savannah theatre in Savannah, Ga., which was first opened on December 4, 1818.

In A Social Way

A beautifully appointed luncheon on Saturday afternoon, Mr. and Mrs. F. D. R. Moore of 689 West Central avenue, announced the engagement of their daughter Margaret, to Graeme C. Smith, son of Mr. and Mrs. J. O. Smith of 609 West Central avenue. Miss Moore is a senior at Whittier College and Mr. Smith is a senior at Redlands University. The guests included Misses Dorothy Cox, Marian Harleman, Virginia Roess, Roberta Scott, Frances Lacey, Elizabeth Harvey, Miss Janet Murray, Miss Verna Jones, Miss June Lacey, Treva Scott, Enid Murray, Dorothy, Margaret and Kathleen Moore, and Mrs. Martha Downs. Opera Club Opens Year With Aida

Opening its third annual club season Saturday, October 3, the San Gabriel Valley Opera Reading Club will give its first Fall opera reading at the Woman's Clubhouse in Azusa, 10th and Azusa avenue. The opera will begin at 10 a.m.

The musical director and lecturer of the club, Frederick Vance Evans, will give an analysis of Aida, one of Verdi's finest and most popular operas. Mr. Evans will be assisted by notable artists in costume. Nelle Gothold, soprano, who has appeared as soloist with the Los Angeles Philharmonic Orchestra, will sing Aida. Allan Watson, basso, will have the role of the King of Egypt. Lillie Farquhar, contralto, former Metropolitan Grand Opera star, will appear as Amneris, daughter of the King of Egypt. Aida is known everywhere for its beautiful aria "Celeste Aida" one of the world's masterpieces of dramatic music, for all its wonderful atmosphere of the Nile and the Temples, for its drama of ancient Egyptian pomp and pageantry.

The Azusa Woman's Club will serve a luncheon following the opera reading which will be open not only to members but to all. The luncheon speaker will be Mr. H. V. Adams and there will be musical numbers as well.

The Azusa Woman's Club will give the opera club. Those desiring to attend should make reservations with Mrs. F. V. Evans, 131 Lincoln Place, Monrovia.

LOCAL PLAYERS TO APPEAR IN "ALISON'S HOUSE" IN PASADENA

Mr. and Mrs. James N. Hawk of 80 East Grand View avenue, prominent members of the Sierra Madre Community Players, will be two of the characters in the cast of the Pulitzer prize play, "Alison's House," by Susan Glaspell, which will have its opening on October 19 at the Play Box, Gilmore Brown's unique studio theatre, 695 Herkimer street, Pasadena.

IS A BROKEN RIB GOOD FOR ONE'S GOLF GAME?

MRS. W. C. Dalzell, vice-president, announces a most refreshing and a delightful unusual opening program for Wednesday at 11 a.m. on October 14. A musical travelogue to be presented by Ralph E. and Glenna E. Oliver of Long Beach is the special treat in store for club members and their friends. Of special interest to club members is the fact that this fine program was secured through the efforts of Mrs. Waverly E. Pratt—and only because of her life long friendship with the Olivers, who are in such great demand that they were "booked up" months ahead for the season. Mrs. Pratt, dramatic reader and interpreter, appearing this season before many clubs, is well able to recommend the excellence of this opening program of the club year.

Mr. Oliver, noted lecturer for five years at the University of Southern California, in his inimitable and humorous manner will take the audience through Spain, Hungary and France. Illustrating these three "word-pictures," Glenna Oliver, the singing actress, beautifully costumed in picturesque copies of original historic gowns, will sing the atmospheric interludes and illustrate the tales of these marvelous cities and strange countries which most of us have dreamed of visiting at some time.

Most dreams never come true—but come to hear the tales of enchanting foreign lands engagingly told by Mr. Oliver and hear Mrs. Oliver as she sings your travel-dreams into truthness with her sweet soprano voice of rare lyric charm. Adding to the reality of this "when dreams come true" travelogue will be the especially lovely stage settings which the Olivers are bringing with them.

Following the morning program luncheon will be served in the Wistaria Room at 12:30. The luncheon speaker will be J. Whitcomb Brougher Jr., of Glendale, concerning whose luncheon-lecture further announcement will be made.

The public is invited to this program and non-members will be admitted for the usual admission. Make luncheon reservations not later than Monday with Mrs. Percy Kortcamp, telephone 341-2.

Concluding the list of directors for the year, Miss Virginia Jones, president, announces the appointment of Mrs. Lyle M. Anderson.

The remaining appointments of chairmen and committee-heads are as follows: department of education-parliamentary law, Mrs. E. D. Burbank; drama, Mrs. J. Milton Steinberger; public affairs and international relations, Mrs. Fletcher White; secretary, Mrs. Franklin Swift; philanthropy and remembrance, Mrs. R. C. Conner; American citizenship, to be filled; junior advisor, Mrs. J. H. Robertson; decorations, Mrs. Frank P. Conard; luncheon reservations, Mrs. Percy Kortcamp; ushers and prizes, junior members.

Assisting Mrs. Nestor Young Jr., chairman of the ways and means committee are: Mrs. Cecily Allen; assistant chairman, Mrs. J. M. Campbell; bridge teas, Mrs. Lehner; social chairman, Mrs. J. H. Robertson.

Mrs. W. J. Lawless, section chairman of the American Home Department, announces the first meeting of the season for the community service and garden sections on Monday, October 5, at 2 p.m., at her home, 506 West Grand View avenue.

With "Winter color in the Garden" as her subject, Mrs. Frank Harrington, the guest of honor and speaker, will stress community planting for winter color in the home garden and parkway. Mrs. Harrington, who is the chairman of the garden division, Los Angeles district, California Federation of Women's Clubs, will also outline the district work of the garden section for the year.

At the close of the afternoon program, tea will be served with Mrs. Ole Hansen Jr., pouring. Mrs. Lawless cordially invites not only club members but also all of the community interested to attend.

Inaugurating the celebration of Sierra Madre's fiftieth birthday festivities with true pioneer atmosphere reminiscent of earlier days will be the opening of the Little Art Gallery on Thursday evening, October 8 with a "pioneer" exhibit and a reception at 8 p.m. for contributing artists

and patrons and patronesses, to which the public is cordially invited.

Of special interest to the community during "anniversary week" will be the exhibits of early day artists together with canvases of Sierra Madre's present art colony. Paintings of such artists as Gutzen Borglum, Mrs. Borglum and pictures of "Lucky" Baldwin, who resided here in early days, will be hung.

Successfully launching the season's social activities, about seventy members and their friends attended on Wednesday afternoon the opening bridge-tea held at the Woman's Club. This department of the club is under the direction of Mrs. Lehner who announces these teas as regular events on the third Wednesday of the month.

The clubhouse interior wore a festive air for this formal opening of the Club's social season with many tastefully arranged bouquets in autumnal hues, making notes of color against antique-ivory of the freshly redecorated interior.

Mrs. W. E. Farman presided as hostess at the specially planned party in the Osgood Room for non-players. Special party prizes were awarded to Mrs. Campbell, guessing in contest; Mrs. Wheeling, high in dominoes and also the door prize. To Miss Mary Daniels was awarded the consolation in dominoes. Prizes in Five Hundred were awarded to Olive Sedgman, high, and to Mr. Conard, second. Auction Bridge prizes were won by Mrs. Mary D. Good, fellow, Mrs. William Murphy and Mrs. C. E. Allen. Dainty refreshments were served at the close of the play.

Section chairmen desiring press section notes are requested to call Mrs. C. A. Greese on Monday afternoon, 4 to 6 p.m., telephone 213-3.

Section chairmen desiring notices in the club bulletin are requested to call Mrs. W. C. Dalzell by the 15th of the month.

Mr. Carl A. Greese
Press Chairman

TEA AND DANCE ARE PLANNED BY JUNIORS OF THE WOMAN'S CLUB

The Junior League of the Sierra Madre Woman's Club met on Tuesday evening at the home of Miss Ruth Klunk, 142 Santa Anita Court. Plans were made for a rush tea for prospective members to be given on Sunday, October 11. It has not been definitely decided where the affair will be held. A restrictive formal dance for all new members was also planned for the following Saturday, October 17, at the Woman's Clubhouse, 270 West Central avenue.

BRIDGE, 500 AND TEA AT WISTARIA VINE

The Sierra Madre Fireman's Auxiliary is sponsoring a bridge and 500 tea next Thursday afternoon at the Firemen's clubhouse 201 West Carter avenue. The affair will begin at 2 p.m. Lovely prizes have been selected for those obtaining the highest scores. Mrs. Vincent Fleming, Mrs. W. L. Hibbs and Mrs. R. J. Walsworth are in charge of the arrangements.

MODERN PRISCILLAS TAKE UP WORK OF THE YEAR

The Modern Priscillas will hold their first meeting of the season next Thursday afternoon at the home of Mrs. F. H. Hartman, 147 North Baldwin avenue.

P. E. ASKS REDUCTION IN SERVICE ON ITS ORANGE EMPIRE LINE

Permission of the State Railroad Commission to reduce service and remove schedules on its Los Angeles-San Bernardino lines, has been sought by the Pacific Electric railway.

The changes would effect Pomona, Covina, El Monte, Baldwin Park, La Vern, Claremont, Upland and Fontana, in addition to San Bernardino, Monrovia and Glendora.

Attempts are being made to arrange the service to eliminate considerable "deadhead" time, the result of decreased passenger travel, the railroad said. A final date has not been set.

The Sierra Madre Chamber of Commerce at its meeting week voted to join with Montclair and Glendora in asking the Pacific Electric Railway for reduction of a train out of Los Angeles at or about 11 o'clock at night. Under the present schedule there is no train for the city between 10:30 and 12:00 Court.

JOE SERVICE

Goblins To Frolic For Youngsters

A Halloween party and moving picture show for the children of Sierra Madre was planned on Monday by the Parent-Teachers' Association at a meeting of the board members and room mothers at the home of Mrs. William Middough, 196 East Central avenue. No admission will be charged to the party which will be held at the grammar school.

Mrs. D. Vanderpool was elected first vice-president at the meeting. Mrs. J. E. Colbert, second vice-president, and Mrs. R. W. Newberry, historian. Mrs. Newberry was elected to take the place of Mrs. E. Stinman, who was forced to resign due to the illness of her mother. Mrs. T. Schwartz was given charge of the room mothers in place of Mrs. Vanderpool.

The room mothers for the ensuing year, who were entertained by Mrs. Middough, and the board included Mrs. E. A. Davy, Mrs. Fred Terry, Mrs. R. W. Newberry, Mrs. W. L. Hibbs, Mrs. C. E. Allen, Mrs. Lee Shippey, Mrs. W. J. Ropp, Mrs. A. C. Young, Mrs. W. C. Dalzell and Mrs. Converse L. Twycross.

OLD FAVORITE BACK AT THE PLAYHOUSE

Formerly associate director and actress at the Pasadena Community Playhouse, Eloise Sterling Hirt returned last night to the Playhouse after many successful performances at the Dallas Little Theatre, to play the leading female role in the production of "Young Woodley," comedy drama of school life by John Van Druten. The production will continue until October 10.

The actress plays the role of Laura Simmons, the schoolmaster's wife. The cast presents Morris Ankrum in the role of the schoolmaster. The actor will thus have played two "heavy" roles in succession, having recently delineated Dr. Rhyllott in "The Speckled Band."

PRIME FAVORITES COME TO THE ARCADIA

The popularity of the Nancy Carroll-Fredric March team as a romantic duo has caused Paramount to cast them together again in one of the most important dramatic romances of the season, "The Night Angel," which will be presented at Janet Malton's Arcadia Theatre, Arcadia, tonight (Friday) and tomorrow. Miss Carroll, in the title role, is the daughter of an impoverished countess. March is the rising young lawyer of the town, who is elected city prosecutor.

Jeann Harlow in "Goldie" will be featured picture to be shown Sunday and Monday evenings. "Huckleberry Finn," a rollicking, heart-warming, juvenile comedy-drama will present on Tuesday, Wednesday and Thursday evenings the further adventures of the lovable youngsters, who won favor from screen fans of all ages in "Tom Sawyer." Jackie Coogan is back to the screen in the role of Tom Sawyer; Junior Durkin continues in his role of Huck.

NEW YORK AND OREGON TO HOLD STATE PICNICS

New York and Oregon will hold their picnic reunions in Sylvanmore Grove Park, all day, Saturday, October 10th, with basket dinners at noon. The New York State folk will occupy the left side of the park in the main section and Oregon the right side. There will be a splendid program of music and oratory and each state will be represented.

Fire Flames

By one of the boys

WHEN fellows of the First Aid Team came home from Pomona with the cup won by their demonstration there, the rest of the firemen were as proud of it as the workers themselves. This gives George Norris (who can't help boasting of his Fire Department), another opportunity to boast. "Now what da'ya think of Sierra Madre's Fire Department?" he asks.

Here are some of the notes that Fire Flames picked up this week:

The Chief and Mrs. Richards attended the Los Angeles-San Francisco baseball game on Sunday. Mrs. Bill must have cried when Frisco won that 12 inning game.

Mr. and Mrs. Alois Karger left Sunday evening for a short stay in Eagle Rock. The exact length of time is not known, but "Louie" has a mother-in-law there.

On their return trip from some where in Los Angeles last Saturday night, or rather Sunday morning, Mr. and Mrs. Roy Walsworth broke a shaft in their car on Huntington Drive near San Marino at about 2 a.m. Fortunately an officer came along and called the City Hall. One of the firemen was rushed to the scene.

I like to know 'tis Friday nite, I long and wait for this, The wife agrees, 'twill be alright, she will not let me miss. I'll meet the boys I want to meet, for they are friends and true; I'll fear no actions of deceit, no matter what they do. We may not understand all things, nor what it's all about, But when we hear the fire bell ring, we'll put the Fires Out!

Mrs. Mary H. Gay of 92 East Central avenue, is visiting in Santa Monica.

A. B. Murphy has added a Sugar-Shell pump to his service station, 54 North Baldwin avenue.

Mrs. Ada K. Oswald of Os-wald and Neale Realty Company, has been ill at her home in Alhambra this week.

Mrs. Dolly Ware and daughter, Sar, and Mrs. Cora O. Coleman visited in Long Beach on Saturday.

Mrs. William C. Dalzell, Mrs. William Middough and Mrs. Marvina Coats spent last Thursday in Santa Monica.

Miss Mary Gherna, of Bisbee, Ariz., is visiting her sister, Mrs. K. A. Shannon of 393 North Baldwin avenue, for a month.

M. and Mrs. Warren E. Craig and Mr. and Mrs. T. Delvedo were visitors at the Los Angeles County Fair on Sunday.

Mrs. Vincent Fleming and son of 31 North Auburn avenue spent last Thursday visiting friends in Los Angeles.

Mr. and Mrs. John Spoelstra and family of 273 San Gabriel Court, spent Sunday at Long Beach.

Mr. Paul Waite of Encinitas is visiting her parents, Mr. and Mrs. P. E. Lacey of 374 Grove street.

T. V. Coleman, son of Mrs. Cora O. Coleman of 633 West Montecito avenue, left on Monday for his southeastern part of Missouri.

Mrs. Edward Eustice of South Baldwin Avenue, has returned from a three week's vacation at La Jolla.

A special children's meeting will be held at 7:30 p.m. this evening at the Pilgrimage Church on Windsor Lane. A special invitation is extended to everyone between the ages of 12 and 25.

Drs. Maud and Ben Chambers and Mrs. Ada M. Robbins of Compton, were weekend guests of Mr. and Mrs. Frank E. Gibson, 646 Orange Drive. Mrs. Robbins remained to visit at the Gibson home this week.

The Dickens Fellowship club met on Thursday for luncheon at the home of Mrs. Mary D. Good-fellow, 41 East Grand View avenue. A social afternoon followed, at which plans for the coming season were discussed.

Mr. and Mrs. Charles Egle of 44 North Hermosa avenue, visited Mr. and Mrs. Otto Stauss of Long Beach, on Sunday. The afternoon was enjoyed at the County Fair and a drive through Santa Anita Canyon.

Margaret Sullivan, small daughter of Mr. and Mrs. L. E. Sullivan of 185 East Central avenue, fell and fractured her elbow on Tuesday, while playing at her home. She was taken to the Pasadena Hospital, where she received treatment.

Mrs. Zella Clark of Ocean Beach, stopped over in Sierra Madre on Wednesday to visit her daughter, Mrs. Melissa Clark, teacher at the Plaza Community Center Children's Home, 72 East Alegria avenue. Mrs. Clark was enroute to Fresno for a visit.

Mrs. Elizabeth K. Shippey, mother of Lee Shippey of 297 Nehr Drive, who fractured her skull in a fall last Thursday in Hollywood, is improving very rapidly. Mr. and Mrs. Shippey have been constantly in attendance at the mother's side.

Mrs. E. R. Thompson, press representative of the local Parent-Teachers' Association, attended a meeting at the Administration Building, Pasadena, on Wednesday, at which Miss Margaret Stovall of the Pasadena Post, and Thorval Tunheim of the Pasadena Star-News, gave instructions on writing P.T.A. publicity for newspapers.

G. C. Hill of the R. G. Dunn company of Buffalo, N. Y., arrived on Friday with his daughter, Mrs. R. H. Davis, and granddaughter, Geraldine Davis, at the home of R. H. Coit, 270 Grove street. Geraldine has registered at the Sierra Madre Grammar School and her mother and grandfather will spend the winter here and may become permanent residents.

Misses Pauline and Laura Merritt of 40 East Laurel avenue, have returned from an enjoyable summer at their studio home at Laguna Beach.

Good Time Is Made By Contractors On New Canyon Roads

Completion of a 600-foot reinforced cement retaining wall along Sturtevant Drive this week will allow that road to handle truck traffic, engineers engaged in the Canyon Park improvement project declare.

The retaining wall, work on which began three weeks ago, ranges in height from seven to 14½ feet. Its thickness varies from one to two feet. Work on the leveling of Sturtevant preparatory to paving will be started soon.

Final grading of Woodland Drive has been completed. The street is now ready for the gravel and oil surface. Woodland is now passable.

Catch basins to prevent the flooding of the lower areas are being built at the top of the canyon, just below the dam, and also just above the bridge near the swimming pool.

Despite blasting of large boulders and the up-rooting of trees that obstructed widening and leveling, no damage other than the breaking of a gas line has been reported in the canyon.

SUNDAY SCHOOL RALLY TO HONOR RETURNED TEACHER

A Sunday School Rally will be held on Sunday morning at 9:30 o'clock at Bethany Church. The rally will also celebrate the return of Miss Helen King, who, after an absence of two months, will be present to renew her work. The Sunday School class

includes adults as well as children and Rev. William Duncan Ogg would like an attendance of at least 250.

Because of the sea's gradual recession the city of Ravenna, Italy, which 400 years ago was an important seaport, now stands 6 miles inland.

FUNDS FOR HOMES SUPPLIED BY BANKS

By ROME C. STEPHENSON
President American Bankers Association

R. C. STEPHENSON

A LARGE portion of the funds required in home building all ways has been furnished by banks. They have shown constantly a deep interest in the performance of this feature of national development. Upon it rests much of our country's future stability, and any contribution to its advancement counts double to the advantage of all. So banking never lessened its co-operative attitude toward home building.

Practically all banks now accept savings deposits which can well be turned to the advantage of home builders. The construction of individual dwellings requires a large amount of financing and is a thoroughly commendable enterprise. Necessarily, the aid given to home builders is governed by the sound banking rules which have grown out of the years of experience and constant studies.

All of the efforts made to secure broader real estate loan privileges to adjust resources to make it possible to lend larger sums for longer terms, the standardization of mortgage loan formulas, and the actual lending of vast sums on mortgage notes evidence the desire of banks to contribute a full measure of support of the home-building movement. This is true of all classes of banks, but even in a more marked degree of those whose deposits are largely in the form of savings.

Both Sides Protected

The process through which bank loans are made on real estate is as simple as the nature of such an important transaction will permit. When money is advanced the lender must know that repayment will be made the specified time. Likewise the borrower wants to be assured that, after he has figured the loan on the basis of his conservatively anticipated ability to pay, he will not be required to do more, that he will not be disturbed in his efforts to work out of his obligations under those terms.

There is no mystery about any of the details, and when the negotiations are complete the borrower knows just what he may expect and what he will be required to do to meet his obligations.

Loans made to persons who wish to acquire homes are not necessarily building loans. One may wish to purchase a home already constructed. In this form of transaction bank loans are used very freely because it is the only kind of a real estate loan some classes of banks may make. Others, of course, may lend upon real estate with improvements uncompleted and advance funds as the construction progresses. Different styles in home financing have developed in the various states, and banks have adopted their facilities to all needs.

Among banks and borrowers for home acquisition purposes a long established and thoroughly tested relationship exists. Banks are not the only agencies through which such funds are available; they do not embody all the spirit of helpfulness which abounds. However, through the years of their co-operation their aid has been of unquestioned value to the home builders whose efforts to establish a permanence for themselves have received constant encouragement. Bankers everywhere are ready to counsel with their customers about their home-building plans and to assist to the extent of their ability. This is being done constantly and the many advantages of it are not without recognition.

Robb Hood's Forest Gone

Shirwood forest is the name given to a stretch of hilly country in the west of Nottinghamshire England, between Nottingham and Worksop, about 25 miles from north to south and 8 to 10 miles from east to west. It was formerly a royal hunting forest and the exploits of Robin Hood and his followers. It is now almost wholly denuded and is occupied by parks and farms.

Large Newspaper Collection

What is said to be the largest collection of newspapers in the world has been opened to the public in a newspaper museum at Aix-la-Chapelle, Germany. Among its collection of 150,000 newspapers are curiosities from all over the world, including an Eskimo paper from the middle of last century.

Costume Ball Will Close Festival Of Drama Association

The local community players have a membership in the drama league and will send several delegates.

BANNING IS FIRST TO CELEBRATE OVER WATER BOND VICTORY

Banning is a far-sighted city. Weeks in advance of Tuesday's Colorado River water bond election, it arranged for an "Aqueduct Victory Jubilee" celebrating success of the water bond campaign which was voted on at Tuesday's election in 13 Southern California communities. The Jubilee will be held at Banning tomorrow, Saturday, October 3rd, and will probably be the first of a number of such events in the southland. Banning is situated in the 13-mile tunnel that will carry Colorado River water through the mountains. Band music, street dances and other unique entertainment will be provided for the city's guests tomorrow.

GROUND BROKEN FOR RAMONA AVE. HOME

C. W. Ford is constructing a house at 460 Ramona avenue for his father, E. J. Ford. This is the third house built for Mr. Ford in the vicinity. Ditching for the foundation of the seven-room shuco faced house was started this week. Several houses in that district have been built for neighbors by Mr. Ford also.

Fiercer Than Shark

It is generally believed that the shark is the most dangerous, but the barracuda, a large savage pike-like fish of the tropical seas, is more apt to attack man than the shark. It is almost as large as a twelve-year-old boy and its mouth is such that any bite is likely to result in permanent injury.

Gigantic Structure

Herodotus estimated that 100,000 men were engaged for 20 years in building the Great pyramid.

Pictures of Pasadena's striking exhibit at the recent Los Angeles County Fair at Pomona are being effectively used throughout the country to call attention to two great events in Southern California next year—the Crown City's own annual spectacle, the New Year's Day Tournament of Roses, and the Olympic Games in Los Angeles that are counted upon to bring hundreds of thousands of tourists from this and foreign lands.

The exhibit representing many attractions of the foothill country, centered about a crystal peacock nine feet high, standing in front of a Moorish arch and upon which was played myriad lights. These lights also played upon a striking placard directing attention to the approaching events.

HOT LEAD

By JUDGE W. R. LASATER

"Off agin, on agin, gone agin—Finnigan." So it has been with this column. We promise to do better in support of A. H. Embree, our new commander and his very ambitious program for the ensuing year.

We have lots of places to go and things to do. So here's hoping we don't stub our toe. Comrade Tom Neale is our new service department boss and it's my opinion he will make a good one—with your help, of course. This department should merit the 100 percent cooperation of the one strong arm of the American Legion as hospitalization, pension, compensation, insurance or other benefits may be obtained through this department, also free notary service. Comrade Neale's address is 22 N. Baldwin avenue, phone 116-1.

Comrade Harry Bobb has been appointed official mess sergeant for 1932. This appointment meets with general approval, as we know from past performance that Comrade Bobb will make a better "belly robber" than the old army could boast of.

Our retiring commander lacks his old time effervescence, sorta down in the dumps of late. Maybe it's the depression or a taming of the masculine spirit through domestication—who knows.

Don't forget the joint "shindig" to be given Armistice evening, November 11, at the Woman's Club House. Plenty of refreshments, dancing and cards. Proceeds, if any, to be used in service work among the needy.

Legion Plans Aid For Unemployed And Disabled Here

Unemployment and relief for disabled war veterans in this community by creation of an emergency fund was discussed by the executive board of the American Legion at a meeting on Monday night. As a first step towards the creation of a relief fund it was decided to hold an Armistice Day entertainment at the Woman's Clubhouse on November 11th in conjunction with the Legion's auxiliary. The exact character of the entertainment will be discussed at a meeting of the Post on Monday night.

LOCAL LEGIONNAIRES TO ATTEND VETERANS REUNION

and suggestions in the plan of organization.

Pastors of the local churches have been invited to a regional conference of the Red Cross to be held at San Bernardino next Tuesday at which this coordination of relief agencies will be discussed and the ground work laid for the coming membership drive of the Red Cross to be inaugurated on Armistice Day and to be concluded on Thanksgiving Day.

At the Monday's meeting of the local Red Cross, presided over by Miss Steinberger, plans were made for the carrying on of the membership campaign here, a quota of 750 having been assigned this City. A letter from the national headquarters was read congratulating Sierra Madre chapter on the fact that this city stands first in membership, based on population, in Southern California and second in the state. Carmel heads the state list with a membership of 29,64 per 100 of population. Sierra Madre's percentage is 19.61, Whittier's 16.2, Pasadena's 7.44 and Monrovia's 6.79.

torium of the city school. John Steven McGroarty, poet, historian, and author of the famous "Mission Play" will deliver the principal address. Miss Orlene Burrow, a protegee and pupil of Pro-

fessor Oskar Selling, will be heard in a program of violin selections of Spanish motif. Harold D. Carew, president of the Historical Society, will preside. The program for October 10 will be varied. From 1:30 to 4:30 p.m., games for smaller children and athletic events for boys and girls of all ages will be staged on the school grounds. These will be under the supervision and direction of Frank Burroughs, athletic coach of the Los Angeles city schools. Prizes will be given by the merchants of the city.

Beginning at 2 o'clock early settlers of the San Gabriel Valley will gather in City Park to hear reminiscences of pioneers. Dr. Arthur O. Pritchard, pastor of the Congregational Church, will preside.

From 11:30 to 1 o'clock of Saturday the Sierra Madre Woman's Club will serve luncheon on the grill on the club grounds. Reservations may be made by telephoning Mrs. Percy Kortcamp at 3412.

During the afternoon a the park Spanish singers and musicians in costumes of the Spanish California period will entertain.

A community supper will be served beginning at 5:30 p.m. the Parish House of the Church of the Ascension by the Woman's Guild. Reservations may be made with Mrs. Elizabeth Dietz telephone 1503.

On Saturday evening a community dance will be held at the Sierra Madre Woman's Clubhouse. Arrangements for the orchestra are in charge of Oscar Rabach. The essay contest for which all students of Sierra Madre are eligible, will close on October 9 at 5 p.m. Four prizes, the first of an unnamed donor, will be awarded. Themes of the essays may be on some phase of the history of Sierra Madre and the San Gabriel Valley.

Contestants will be divided into two classes, those attending high school and junior college of Pasadena, and those attending the local schools, both public and parochial. First prize for a winning senior essay will be \$1, and

second prize will be \$1.50. For the junior contestants first prize will be \$2.50 and second prize will be \$1.

Members of the Writers' Committee will be the judges. They are Lee Shipley, chairman; Florence Eakman, Burr McIntosh, Elizabeth Scantlebury and Mary Ward. Essays must be enclosed in sealed envelopes and mailed to the chairman or given to any member of the committee not later than next Friday at 5 o'clock.

Sierra Madreans wishing to become charter members of the Historical Society must do so not later than a week from tomorrow, when the charter list closes. Annual dues of \$1 should be sent to the secretary, Mrs. Clarence W. Bowen, 735 Canyon Crest Drive.

Don't Buy CHEAP Automobile Insurance

Thousands of automobile owners are learning their sorrow every year that "cheap" insurance is expensive.

There Goes Another Mutual!

There is a list of 1,776 mutual fire and casualty insurance companies which, at the close of 1929, ceased to exist. This includes Mercantile, Exchanges and other "co-operative" companies.

Since the first of the year two more in California have been put in the hands of a receiver, and many local people were insured each of them.

The Mutualdea

It sounds good, but it does not work. At least in casualty insurance. It does in life insurance, but life insurance is almost an exact science.

Buy Stock Insurance

That is what is known as "old line" insurance. The company takes the risk, not you; it is operated for a profit, but if there is a loss (and this last year there have been underwriting losses in the most prominent companies), the old line company is able to stand it. You cannot be assessed a stock policy. Deal with a local agent who represents straight well known "old line" companies. The word insure means "to make sure." In big "mutual" automobile insurance you are more uncertain than ever.

LOWEST RATES ON RECORD TO SPEED UP RAILROAD TRAVEL

Belated vacationists will be given an opportunity to travel at extremely low cost through another popular excursion which the Santa Fe is announcing for October 9, 10 and 11. Rates of approximately one cent a mile will prevail and tickets will be good until midnight, October 9. The offer will apply to all parts of the territory west of Albuquerque.

These excursions at the lowest rates ever offered, have proved exceedingly popular since they were inaugurated last spring for the purpose of stimulating rail travel. Round trips may be made at a cost of three-fifths or 60 percent of the regular one-way fare. According to this schedule, the round trip rate from Albuquerque to San Francisco and Oakland will be \$25.75, and to Los Angeles and San Diego, \$17.65. From Phoenix to San Francisco and Oakland the round trip rate will be \$17.75, and to Los Angeles and San Diego, \$9.20. Similar bargains will be offered from intermediate points.

TRICKS of MAGIC EXPLAINED by Will L. Lindhorst

CLEVER TRICK WITH MAGIC ENVELOPES

WHOLE CARD PLACED IN ONE ENVELOPE—ASHES OF BURNED CARD IN THE OTHER.

ENVELOPES ARE PUT TOGETHER LIKE THIS AND WHEN PASTED

LOOK LIKE THIS.

Take two envelopes, place them together, one upside down with its back to the face of the other. Let the flap of one envelope overlap the back of the other, so that both flaps are on the back of one envelope. Then carefully paste the envelopes together, smoothing the edges so they appear as one. Now take two identical cards from a pinocchio deck, place one in one of the envelopes, which is then sealed and a tiny identification mark placed upon it. Put the other card on top of the pack and appear before your audience. Ask some one to take this card from the top of the pack, burn it, and place the ashes in the envelope, the flap of which is open. Seal the envelope, say a few magic words, open it on the side where you have placed the mark, and lo! the burned card is taken out whole. Of course, the card taken out is the one previously placed in the envelope.

Two Local Diamond Stars Make First String On Gridiron

Two local boys who have shown brilliantly during the baseball season here this summer, Leslie (Les) Miller and Jack Young, are evidently as good on the gridiron as on the diamond. Both have won places on the junior college football team. Young has drawn the position of quarterback with Coach Frank Baker's "Buildogs" and Miller is at left end.

The lineup as announced is only tentative, but the excellent work of these two Sierra Madrenses seems to leave no doubt but that they will be kept on the first string. Both lack desirable poundage but compensate for lack of weight by their ability and fighting spirit.

Dramatic Effort Of Local Artist Wins Attention

Mrs. Waverly E. Pratt's dramatic interpretation of the opera "Madam Butterfly" has created such a favorable impression wherever she has presented it that the local artist will be in great demand during the Fall and Winter.

Mrs. Pratt has been engaged by the Glendora Woman's club to appear at the Club's opening program on October 6. She has also been engaged by the Huntington Park Woman's Club to give the same program on October 8. Mrs. Myrtle Hill will play a musical background from the opera score and Miss Laura E. Cadmus will sing the aria, "One Fine Day."

Early last year Mrs. Pratt gave a most creditable performance before the Sierra Madre Woman's Club. Her later appearance at Long Beach where she presented her interpretation attracted widespread attention and favorable comment by critics throughout Southern California.

MISSIONARY JUST BACK FROM CHINA WILL SPEAK HERE

Miss Edna Larsen of Szechwan, China, will be the speaker at the missionary meeting at Bethany Church next Tuesday, October 6. Miss Larsen, whose home was in Minneapolis, recently arrived in Los Angeles after 16 years service with the China Inland Mission in China. She has been working with Miss Irma Dudrow, whom the Bethany Missionary Society helps to support.

The morning service begins at 10:30. Current events are in charge of Mrs. Gordon R. Brooks. Luncheon will be served at noon. Devotions will be led by Miss Wilhelmina Graham of Long Beach at 1:20. Miss Graham expects to leave soon for China under the C.I.M. Those who attended the last meeting at the home of Mrs. C. D. Croan, will remember Miss Graham as the U.C.L.A. student, who talked so interestingly.

A cordial invitation is extended to everyone and strangers are assured a friendly welcome.

THREE SOUTHERN STATES WILL HOLD REUNIONS

Kentucky, Arkansas and Tennessee State societies will hold picnics at Sycamore Grove Park, all day, Saturday, October 3rd, with basket dinners at noon. Each state will have its own section and will open county headquarters. There will be a joint program opening at 2 o'clock with music and brief addresses, and each state will have a part in the program represented by presidents Edward Lawless, M. W. Wilson and A. M. Blount. Every former resident of these states is invited.

SHRUBS for FALL PLANTING

By JESSIE WARD RUSSELL
Landscape Gardener

WE WILL talk more about shrubs desirable for the landscape garden that can be planted now. There are places in the garden where you will need a low growing dwarf flowering shrub. The Dwarf Flowering Pomegranate will answer this purpose. It will do for low hedges and borders as well. Nine months of the year it is covered with light orange-red flowers. During the winter months it will go semi-dormant and will not bloom. By keeping the small fruit picked off at all times, the blooms will be more abundant.

Chorezema is a dainty low spreading shrub that always attracts lots of attention during the winter months when it is covered with spikes of pansy-like blooms in orange and cerise. The foliage resembles eastern holly leaves but much smaller. Chorezema will grow almost into a vine if trained against a building; for rockeries or pools, it makes a graceful weeping shrub. Water should not stand around its roots, therefore we do not advise planting it in lawns.

This reminds us of Diosma which also does not like to have its feet in water. Diosma makes a very dainty shrub with its perfume-like foliage. If you have one of these shrubs in your garden, resist rubbing your hands through the foliage every time you walk near it. The name "Breath of Heaven" which has been given to it will suggest how delightful the scent is.

There are two types of Diosma. One is a slender, upright growing shrub, the other low and spreading. The foliage and bloom are alike in both types, small light-green, heather-like foliage and dainty white flowers covering the shrub like snow in the spring. Habrothamnus or Cestrum Elegans is a splendid tall growing shrub for winter flowers. It is rapid growing with large leaves on gracefully drooping branches, the ends of which are covered with dark red flowers.

Flowering Quince or Cydonia Japonica should be used more because it blooms in the winter. We are always thankful for winter flowering shrubs for there are so few of them. The garden always looks drab enough during January and February and if we can plant a few of these winter flowering shrubs, we can forget about those that are dormant. The Flowering Quince is a medium sized shrub with bright pink or rosy-red blossoms. After it blooms or in the late spring, it should be pruned back to keep it compact. It combines well with the wisteria as it is usually in bloom then.

Hibiscus is an all-the-year-around bloomer unless we have a very cold winter. This is a great favorite of ours and we believe

CONSTRUCTION OF MONASTERY WILL BE STARTED TODAY

Repairing of the road to Monte Oliva, future home of the \$75,000 Passionist Monastery, was completed this week, enabling heavy trucks to reach the building site with lumber, concrete and other materials which were delivered yesterday and actual construction will begin today. The site had been already leveled off and excavations made for the foundation.

REPORT SHOWS BIG CO-OPERATIVE GAIN IN CITRUS ACREAGE

A total of over 18,000 acres of citrus fruit have been signed during the past year on new shipping contracts by member associations of the California Fruit Growers Exchange, according to a recent report by C. S. Milliken, Exchange grower service manager, to the board of directors of the Sunkist cooperative.

The complete report of the Grower Service Bureau shows that there were actually signed on new Exchange contracts during the year ending June 1, 1931, 16,482 acres of oranges and grapefruit and 1,739 acres of lemons. Of the total acreage signed, 5,134 acres represented changes in membership between Sunkist associations. Taking this and the acreage lost through withdrawals, subdivisions, etc., into consideration leaves a net gain of 9,170 acres.

"The past year has shown an increase in Exchange membership which clearly indicates that growers are more and more becoming convinced of the obvious benefits to them of coordinated shipping and selling, which can only be secured by cooperative effort through a single marketing organization," stated Mr. Milliken.

CHARGES AGAINST CONDUCT OF COUNTY CAMP HELD NOT TRUE

Investigation of conditions in the work camp in San Gabriel canyon where crews of men are engaged in clearing sites for the three proposed dams has revealed nothing to substantiate charges made before the county board of supervisors by Albert Jaqua, Los Angeles workman, according to a report of Dr. George H. Roth, assistant county health officer, filed with Supervisor Hugh A. Thatcher of Pomona.

An inquiry was ordered when Jaqua appeared before the board and charged that food unfit for human consumption is provided for workmen at the dam sites, that living conditions are not healthy in the work camp, and are treated like convicts. The report compiled by Dr. Roth following investigation at the work camp declares there no grounds for the charges.

One obstacle to disarmament is that each nation wants a little more security than it is willing to grant its neighbors.

I See Where

In 1916 Fred Barnes, an English actor, befriended a millionaire of Yonkers, N.Y., during a Zeppelin raid over London. Recently the millionaire died, leaving \$125,000 to Barnes in token of his gratitude. Barnes in turn has given \$100,000 of his legacy to hospitals of Yonkers.

BETHANY'S PASTOR TO TALK ON "SUICIDE OF A SOCIAL ORDER"

"The Suicide of a Social Order" is the subject of Rev. William Duncan Ogg's next sermon in his series of talks on world conditions which Bethany's pastor believes are strikingly significant in view of prophecies of the Bible. "The past week has made more history than any similar period for many years," said the pastor in announcing the subject of his sermon for next Sunday night.

San Bernardino County ranchers are 'going in' for avocado culture. This year's crop will be harvested from 44 acres; next year 51 acres more will come into bearing.

Mrs. Alice Meeks is having sweet revenge. She owns and operates a 300-acre farm near Logansport, Ind., with her divorced husband as one of her farm hands.

John Earl, of Newbury Port, Mass., figured out a novel scheme to prevent "chasin' around nights." "He kept my only shoes in a pail of water so I could not get out," complained Mrs. Earl, when she had her husband arrested for disorderly conduct.

CITY'S FIREMEN SAVE BOULEVARD HOUSES

A fire at 3554 Foothill Boulevard, in the strip of unincorporated territory between Sierra Madre and Lamanda Park, provided a fire drill for the Volunteer Firemen on Friday night. The department was just ready to

leave the fire station for its regular Friday night practice when a telephone call was received that a garage and dwelling at the above address were afire and that adjoining buildings including the plant of an ice cream company were in danger. Aid had been refused by Arcadia and Pasadena, but half of the local department

with one piece of equipment was hurried to the spot. It was impossible to save the buildings afire but the firemen managed to save the surrounding structures which were badly scorched. They brought back with them several gallons of ice cream donated by the ice cream company, which in connection with a huge batch of delicious raviolis served by Joe Swanson, made up the Friday night luncheon menu.

Banana and Wisdom

"Fruit of the wise," Linnaeus called the banana, says the Nature Magazine, because tradition has it that when Alexander the Great crossed into India he found the pundits discoursing under the shade of its giant foliage.

The Statute of Liberty is to be repainted and illuminated. The thing she stands for needs a little refurbishing, too.

Unique words

The words "abstemiously" and "frantically" contain all the vowels in alphabetical order.

Remarkable Sentences

Because it contains every letter of the alphabet, the following sentence is of great value to typists in their practice: "The quick brown fox jumps over the lazy dog."

Milwaukee consumes a hundred million gallons of water a day, but that isn't what used to make it famous.

A Tropical Wedding

PEOPLE know what to eat in the tropics in order to keep cool and preserve their health. So why not take a leaf out of their book, these dog days, and serve a dish which unites two tropical fruits, bananas and Hawaiian pineapples, both of which are plentiful and cheap? The first of these fruits is fresh, and the other is canned. There's a good reason for this.

Bananas are picked green and ripen successfully on their way to our markets. But a pineapple picked green fails to develop the same sugar content as a pineapple permitted to come to full maturity on the plant. And this natural fruit sugar forms the major part of its flavor and sweetness. So pineapples are allowed to ripen beneath Hawaii's sunshine,

picked at their prime, and clapped into cans with their full flavor intact.

Here's the Recipe

The ceremony for the wedding of these two tropical fruits in a fritter that will fairly melt in your mouth is as follows:

Pineapple Banana Fritters: Beat one egg well, and add one-fourth cup milk, one cup flour, and one and one-half teaspoons baking powder, one tablespoon confectioner's sugar, one-fourth teaspoon salt and one mashed banana. Drain the contents of one 8-ounce can of crushed Hawaiian pineapple, and add. Drop by spoonfuls into deep hot fat, 375°, and fry until brown. Serve sprinkled with powdered sugar. This makes from twelve to fourteen fritters.

Mrs. William Duncan Ogg and son, Kenneth, 258 North Mt. Trail avenue, returned Wednesday evening from a three weeks' visit in Eureka, Calif., with Rev. and Mrs. Ogg's oldest son, Glen Ogg, and the many friends that they made during the 14 years Rev. Ogg was pastor there.
